

## LIABILITY RELEASE AGREEMENT – Compressed Air Fills

I certify that all compressed air obtained from \_\_\_\_\_ shall be used sole for the purpose of charging pneumatic devices other than SCUBA.

This compressed air will be used for the sole purpose of providing a supplemental air source to refill Rapid Air, a back up air supply for kayaking and rafting

I release the above named business/individual, as well as the below named technician from any and all liability, including negligence, involved with providing me with compressed air for this purpose.

The undersigned have willingly signed this Waiver and Release Agreement and understand that he/she has given up substantial rights by signing this agreement and has signed it voluntarily. In addition to signing my name, I do hereby set forth below my address as well as my phone number.

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.  
Day Month Year
